Company Profile

Since 1989, Euromax Appliance (Zhongshan) Co., Ltd has specialized in the industry of gas appliances for over 30 years. As a professional manufacturer of home appliance, the factory is located in the famous appliances production base Zhongshan city. It covers more than 20,000 square meters and there are more than 100 employees. We have taken up 80% market shares in five countries and serviced 1500 global brands from 120 countries since entered the export markets in 2012.

Our company mainly produces and sells gas boilers & electric boilers & gas water heaters & gas hobs. We provide one-step ODM & OBM for global super markets, importers, agents, distributors and Amazon retailers.
All our products have ISO, EMC, CB, LVD, CE, CSA, NOM, COC, AGA,UL,BSCI international certifications.
We have passed the ISO9001:2015 and gained more than 100 patents of outlook design and product construction.
All the products entering into the market are with 3 years' guarantee, 5-10 years for some products.
